Doug,

Yo a really meat squirrel, who I really think alot of. There's lots of good times we had together and I will remember them all that took place at the lodge. I hope you get everything out of life that you ever want. But be careful no matter what the selection may be. Always remember me, as one squirrel to another, I know you will. Be nice to the special one in your heart because you may not have her for ever. Thank you ever so much for the fun and enjoyment through the past. I hope we have more good times.

Good Luck in the future and I hope you obtain the highest good, and receive full filment from all you do. Good Luck once again.
God Bless you Always,
Doug, Luck and Happiness be with you

Forever.

Always a friend,

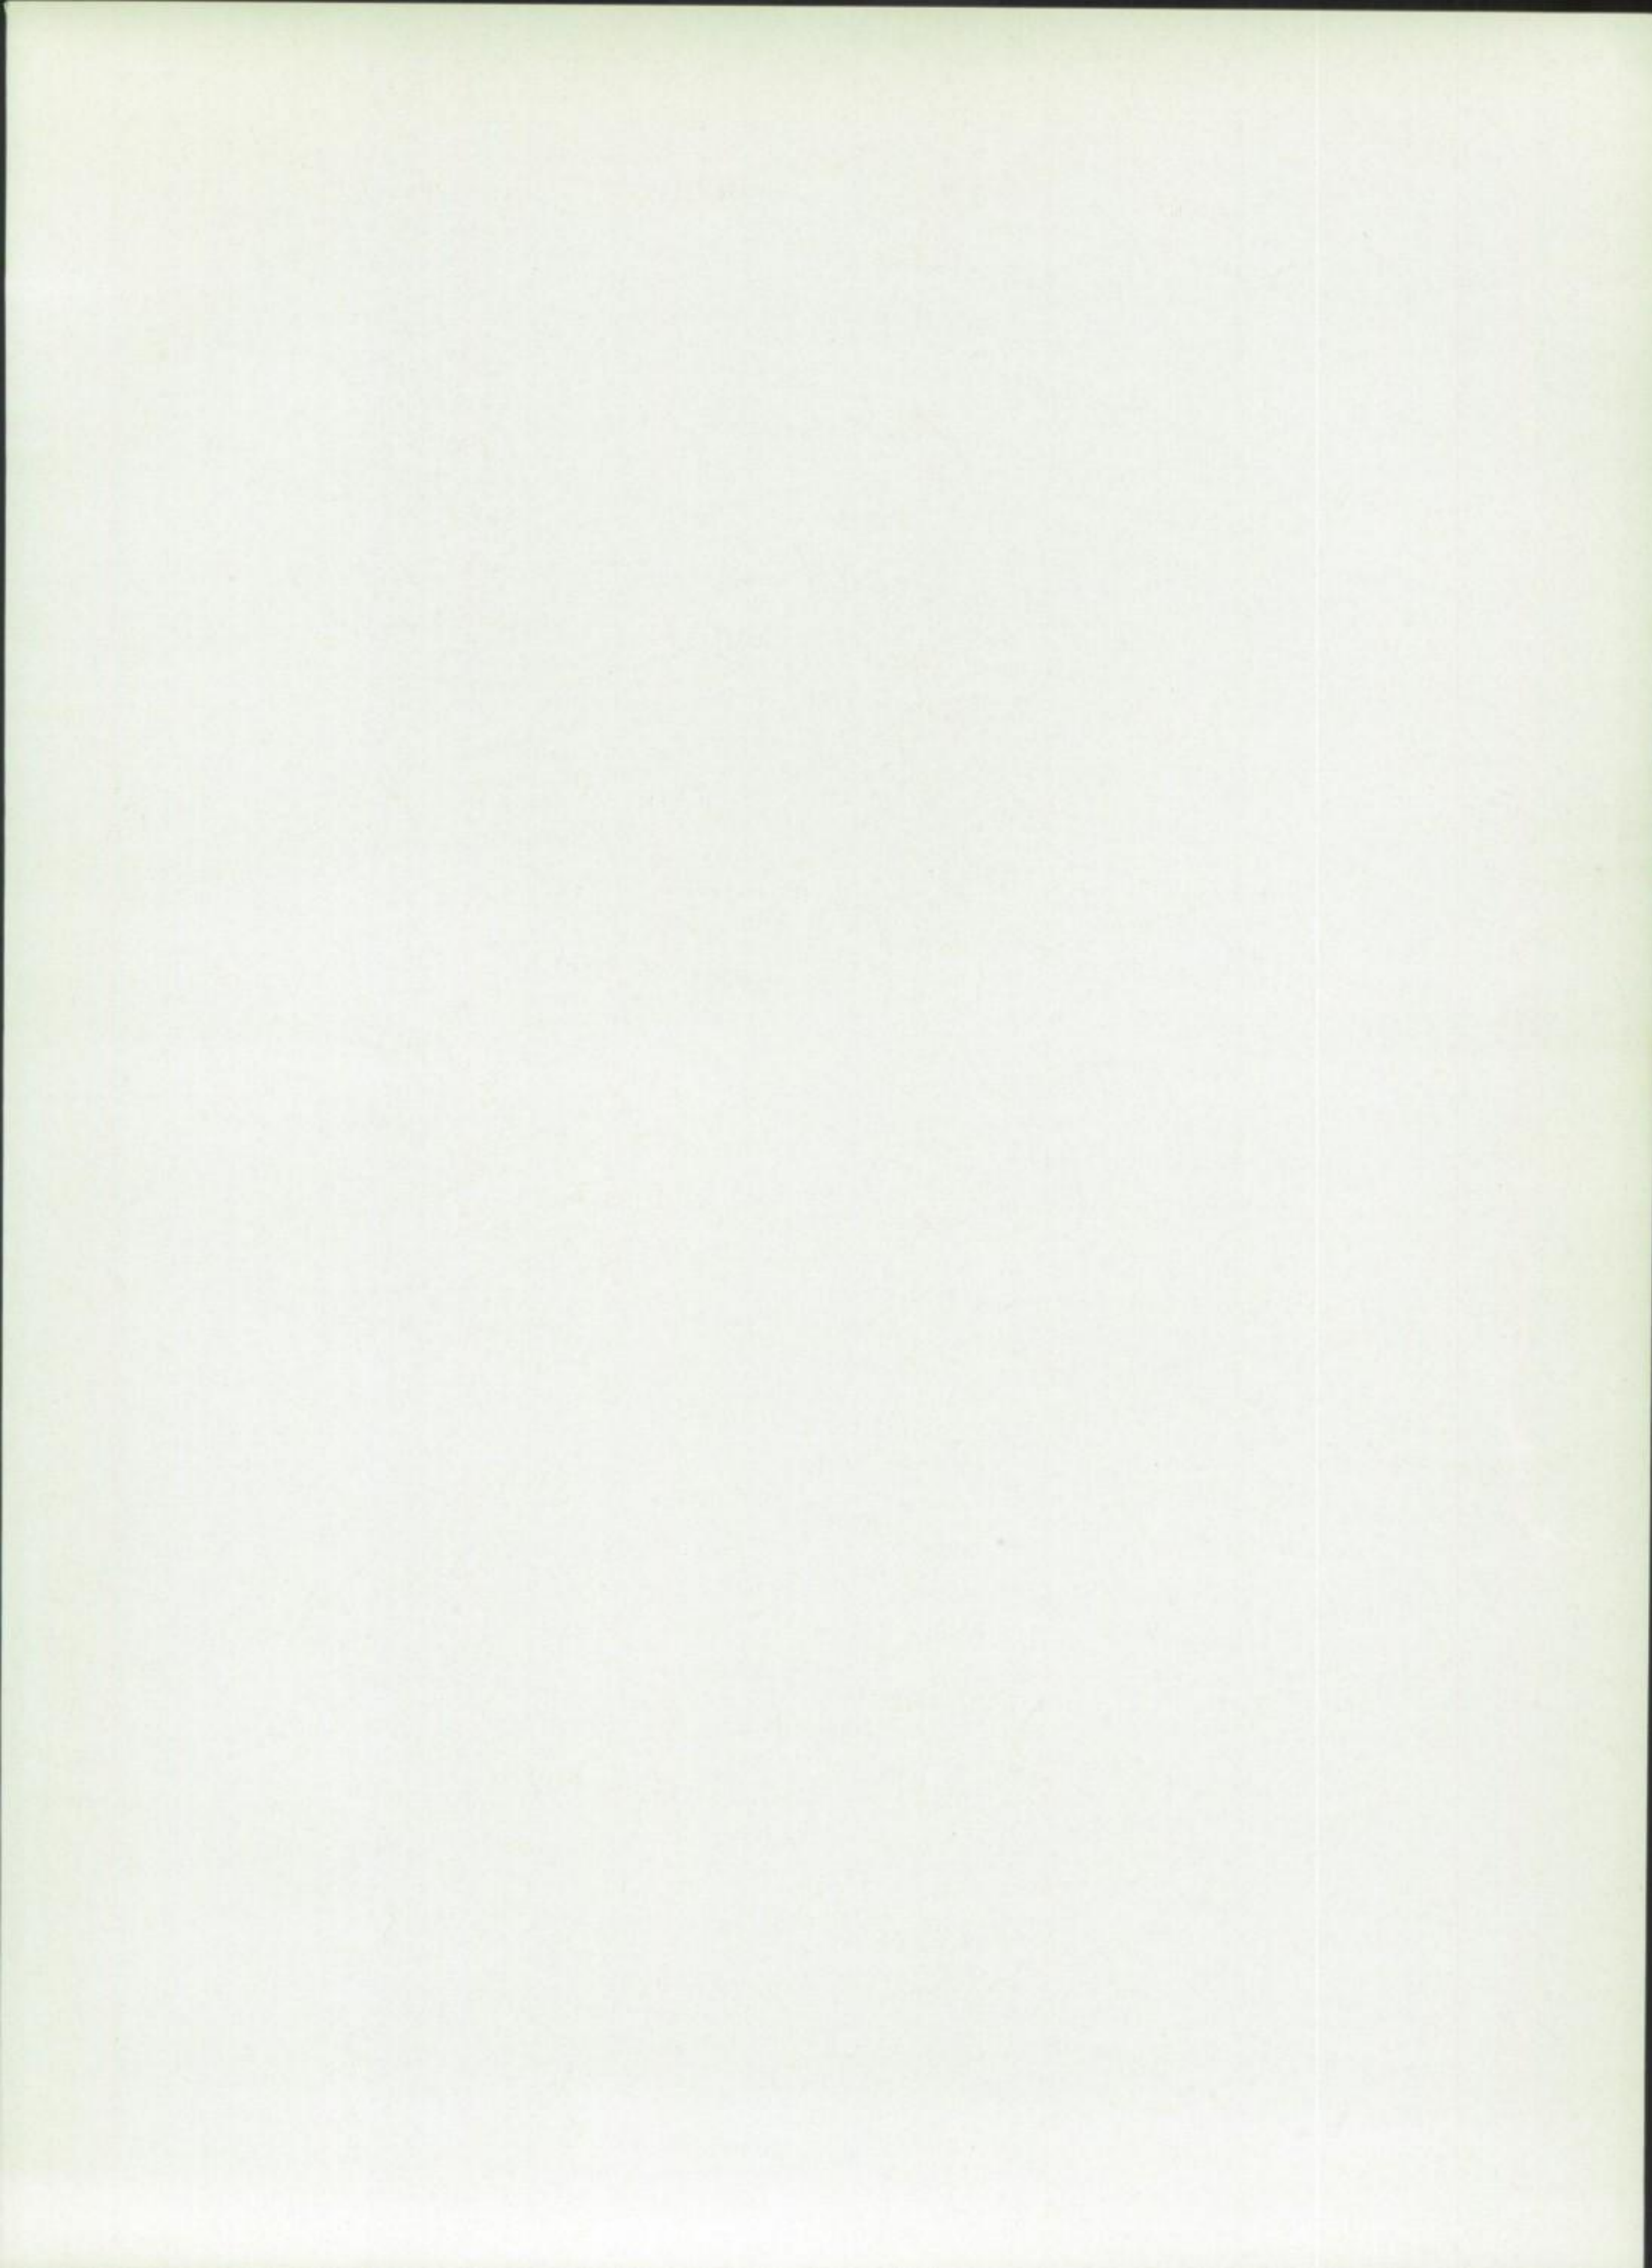

Doug
